Additional resources 1

Additional resources

There are additional resources you can access to get help and find more information about NetApp cloud services and support as well as general REST and cloud concepts.

Astra

- [Astra Control Center documentation](#)

Documentation for the Astra Control Center software deployed on the customer premises.

- [Astra Control Service documentation](#)

Documentation for the Astra Control Service software available in the public cloud.

NetApp cloud resources

- [NetApp Cloud Solutions](#)

Central site for the NetApp cloud solutions.

- [NetApp Cloud Central console](#)

NetApp Cloud Central service console with sign in.

- [NetApp Support](#)

Access troubleshooting tools, documentation, and technical support assistance.

REST concepts and cloud technology

- PhD [dissertation](#) by Roy Fielding

This publication introduced and established the REST application development model.

- [Auth0](#)

This is the authentication and authorization platform service used by the Astra service for web access.

- [RFC editor](#)

Authoritative source for web and Internet standards maintained as a collection of uniquely numbered RFC documents.
